AMA Charter No. 707

April 2010

NW Seaplane Championship:

A.K.A Pine Hollow July 10-11

The annual NW Seaplane Championship will again be held at the Pine Hollow Resort near Wamic Oregon. The contest will use the Pine Hollow Reservoir and will be based on a little peninsula on the east side of the reservoir just a few hundred yards along the shore north of the resort office / store.

If you haven't camped there before, be sure to contact someone who has, Dale for example. The place isn't the classiest in the west by quite a bit. It also fills up in the summer so you may well not be able to stay there.

Based on the reviews in Google Maps, I'd suggest staying at the Balch Hotel in Dufur, which is about 25 miles or so back toward The Dalles on US 197.

Management

Dick Hansen's friend Jack Bracke has two new Lanier kits, a Giles 202 and a 1/3 Extra 300, that he received from the estate of a friend. If you're interested, give Jack a call on 503-649-8875. He lives in Beaverton.

Bill Redding, a former member of the Sky Knights, has acquired a Plane kit by Midwest called the giant Sweet & Low Stik. It looks like a low wing Ugly Stik with two open cockpits, 86 inch wing span, 1469 sq in wing area, flying weight 17 pounds. All new in the box. Plus the engine is a .38cc Zenoah, never been run like new. I have the engine on consignment with Ted Meyer at Hobbies Unlimited on Interstate ave for 285 dollars. The kit can be had for 100 dollars. Ted doesn't handle kits, Mostly arf's. If anyone in the club is interested, I can be reached E-mail at wereddings@aol.com, Or phone 503-774-2495
