September 2009

Club Picnic

The weather was good, the turnout was good and the food was great. A big thank you goes to the chow crew for a great job. The crew was Kathy, Mike, and Brandon McKay, Brian Watts, and Glen Thornton and Jill.

The only down side was that three airplanes, including a 40% Yak got written off by hard contact with the ground.

Jim Weaver Donated Large Awning

Jim donated his large awning to the club. It's the big type used to cover motor homes (12 x 25 or 15 x 30 we think). Jim had made a plywood box with handles for it. The awning is available for use by club members who should contact Dale.

Club Meetings

All club general meetings will be held at the Sandy River Airport clubhouse. The meetings are at 7:00 p.m. on the second Monday of each month. Guests are very welcome.

Executive Board Meeting Info

Exec Board meetings are held the first Monday of the month. The meal starts about 6:30 and the meeting starts about 7:00. All members are invited to attend.

The schedule is:

October	Marshall Smith
November	Scott Bacon
December	Dale McDonald

Rubber Ducky

Saturday, Sept 26 at O.M.A.S., Banks, OR.

Breakfast is at 7:00 a.m. at Tom's Pancake House.
12925 SW Canyon Rd

Beaverton, OR 97005 (503) 646-2688

Flying starts at 9:00 a.m. See <http://www.omas-rc.org/maptofield.php> for directions to the OMAS flying site

Unfortunately, the word is that Tom Ries won't be able to be there this time. We're not sure how we can hold a Rubber Ducky without Tom but we'll give it a heck of a shot.

Indoor Flying

The indoor flying gypsies are moving again. The '09-'10 season indoor flying will be at the Tigard Armoury, 6700 SW Oak Street, Tigard. It is just north of where 99W exits from I-5. Go to the second traffic light on 99W, turn right and go two blocks to Oak St. Turn right again and go about 100 yards and the armoury will be on your left.

This facility is about half way between the Gresham and Withycombe armouries in floor area with head room about the same as Withycombe. The lights work way better than those at Gresham. The flying fee will be \$5 again.

The schedule is as follows:

November	5	19	
December	3	17	31
January	14	28	
February		11	25
March	11	25	
April	8

Equinox Fun Fly electric meet

Fly-In - Washougal WA Equinox Electric Event (EEE) Sep 19 & 20, 2009

Yup, it is time once more the fall electric meet at the **Fern Prairie Modelers** flying site in Washougal, WA.

Visit the club website at www.FPMC.org for maps and such.

Event will be, as usual, mostly open flying with a few solo flight slots available for special airplanes or appropriate groups of airplanes (like warbirds, earlybirds and Gee Bees).

This is an AMA Club Flying Site, so please bring your AMA card and remember that no first-flight test flying is permitted during the official event hours of 9:00am to 3:00pm each day.

Saturday is usually much better attended than Sunday for some reason.

Entry fee is only \$5.00 (and that is for both days if you can come back and fly on Sunday too!).

Rubber Ducky
